CITY OF SOUTH JORDAN

NOTICE OF PUBLIC HEARING

Notice is hereby given that the South Jordan City Council will hold a public hearing on Tuesday, April 7, at 6:30 p.m. in the South Jordan City Hall, located at 1600 W. Towne Center Drive, South Jordan, Utah, to receive public comment regarding the 2026-2027 Annual Action Plan for the use of Community Development Block Grant funds (CDBG).

The meeting may also be joined virtually via Zoom.us phone and video conferencing. All those who desire to attend the meeting via Zoom, please visit <https://www.sjc.utah.gov/city-council> for further instructions on the day of the meeting. Ability to connect and comment is dependent on an individual's internet connection, not the City.

The 2026-2027 Annual Action Plan (AAP) will be available for public review and comment from April 8 to May 11, 2026, on the City's website (<https://www.sjc.utah.gov/CDBG>); by hard copy at City Hall, the Public Works Building, and the Community Center; and upon request. Since HUD has not yet announced official grant allocation amounts, amounts listed for projects and activities are based on an estimated \$235,000 grant allocation and are tentative. The City prepares a contingency plan for how the plan will be adjusted once final allocations are received. The proposed allocations are as follows:

- **Hard Cost Projects**
 - ADA Ramp Upgrades: \$116,000
 - Audible Pedestrian Push Buttons, \$40,000
- **Admin and Planning**
 - Long-Range Planning: \$25,350
 - Administrative Funds: \$21,650
- **Public Services**
 - Domestic Violence Shelter and Services, South Valley Sanctuary: \$14,000
 - Homeless Shelter and Services, The Road Home: \$5,000
 - Domestic Violence Victim Legal Assistance, The Legal Aid Society of Salt Lake: \$8,000
 - Healthcare Access, Community Health Centers Inc.: \$5,000
- **Contingency**
 - If the final grant amount is higher, the City will fund

- Critical Home Repair Program, Habitat for Humanity: to be funded at most \$30,000 and at least \$20,000 if that actual allocation allows that much extra funding
- If not, additional funding will go to the ADA Ramp Upgrades
- If the final grant amount is lower, services and admin funds will be reduced according to their percentages to maintain the caps HUD places on funds for those services. The Critical Home Repair Program will not be funded.

The City will provide reasonable accommodations, including necessary interpretation, for all timely requests. For all inquiries, including to make a comment or request accommodations, contact Anna Crookston Acrookston@sjc.utah.gov or 801-446-4357. The hearing impaired may call 7-1-1 to contact TDD Utah Relay.
